

Pressurized Double Cylinder Soft Serve Freezer

U421-I2

Optional Swing Gate
Style Handles

- Adjustable dispensing rate meets the requirements of high volume operations.
- Refrigerated mix storage cabinet holds two 8-gallon mix containers for use with and without bag connection system.
- Mix pumps inject the exact amount of air into your mix, maintaining overrun to ensure maximum profitability.
- Powerful IntelliTec2™ control communicates with the operator through a multiline graphics LCD using full text instructions.
 - ✓ Provides additional operator information.
 - ✓ Enhanced service diagnostic capability.
- Energy Conservation Mode (ECM) protects product from over-agitation during slow or non-draw periods.
- Bottom sealing spigots eliminate waste and offer precise dispensing control.
- Mix-low system to alert you of low mix conditions.
- Self-sharpening, nonmetallic auger flights for reliable service.
